

Alex Borer

Partner

Alex Borer (Swiss) is a Partner on the Liquid Markets team at LGT Capital Partners in Pfaeffikon, Switzerland. He is a member of the Executive Committee, the co-chair of the Liquid Markets Management Team, chair of the Tactical Group and member of the Multi-Asset Investment Committee and the ESG Committee. Mr. Borer is co-responsible for the firm's Liquid Markets activities. The team is responsible for multi-asset and multi-alternative funds, sustainable fixed income and equity funds, liquid multi-manager funds and institutional mandates, as well as asset allocation and research.

Mr. Borer first joined LGT Group at LGT Bank, where he worked from 1992 to 2001 as an equity portfolio manager and head of portfolio management. After, Mr. Borer was a Partner at Trinova Invest before re-joining LGT in 2005 as head of investment coordination within LGT Bank. He moved to LGT Capital Partners in 2007 as an equity portfolio manager responsible for the Asia and Japan region and co-responsible for the USA. In 2008, Mr. Borer joined the Multi-Asset portfolio management team and began heading the team in 2010, before taking on the role of Co-Head Liquid Markets in 2021.

Mr. Borer holds a federal diploma in banking and finance from the Swiss Bankers Association and is a CFA Charterholder. He is fluent in German and English.
