

## **Antonio Ferrer** Principal

Antonio Ferrer is a Principal and Head of Multi-Asset Asia at LGT Capital Partners (Asia-Pacific) Limited. He is one of the lead managers of the Princely Strategy GIM and the lead portfolio manager of GIM Balanced and GIM Growth.

Before joining the firm, Mr. Ferrer started his career at UBS Wealth Management and Business Banking as a relationship manager for high net worth clients in Argentina and in Switzerland. He was then appointed to become a team head in the respective area at UBS. In 2008, Mr. Ferrer joined LGT as a portfolio manager for multi-asset class funds and institutional clients. In 2009, he was appointed to set up and manage the new GIM UCITS offering. In 2012, he took over additional responsibility in the manager selection area specializing in equity emerging market single countries.

Mr. Ferrer is licensed with the Securities and Futures Commission (SFC) as a Responsible Officer and is a Certified International Investment Analyst (CIIA). He holds the Swiss Federal Diploma for Experts in Finance and Investments (AZEK) and a BSc in Business Administration from the University of Applied Science in Chur. Mr. Ferrer is fluent in English, German, Spanish, French and Italian.
