

Daniel Hausammann

Partner

Daniel Hausammann (Swiss) is a Partner on the Key Account Management and Client Solutions teams at LGT Capital Partners in Pfaeffikon, Switzerland. Mr. Hausammann is a member of the Liquid Markets Management Team. He is co-responsible for Key Account Management and for customized investment solutions for UHNWI and institutional clients.

Prior to joining the firm in 2012, Mr. Hausammann worked at Bank Julius Baer in Zurich, where he was globally responsible for the Absolute Return Group within portfolio management. Before, he was a Managing Director at Credit Suisse in Zurich and Global Head of the Total Return Group within the Credit Suisse Asset Management division. In his miscellaneous role, he took an instrumental role in developing different alternative investment strategies within the area of hedge funds and insurance-linked strategies. Mr. Hausammann launched the first single manager and multi-manager ILS public fund in Switzerland.

Mr. Hausammann holds an MA from the University of Berne, Switzerland. He is fluent in German, English and French.
