

## **Pascal Koller**

### Partner

Pascal Koller (Swiss) is a Partner at LGT ILS Partners in Pfaeffikon, Switzerland.

Prior to the team's transfer to the firm in June 2012, Mr. Koller served as a senior portfolio manager within Clariden Leu's Insurance-Linked Strategies department, where Mr. Koller worked from October 2010 to May 2012. Prior to joining that team, Mr. Koller was part of the Longevity Risk Management team within Pension Insurance Corporation (PIC) in London where he devised and executed hedging programs for PIC's longevity risk. Before that, Mr. Koller worked for Swiss Re's capital markets business in London, notably with their insurance-linked securities team, where he was involved in the early extreme mortality as well as embedded value securitizations to come to market.

He received his MA in Business Administration from University of St. Gallen (HSG) as well as an MSc in Finance from London Business School. He is fluent in German, English and French.
