

René Rich Principal

René Rich (Swiss/Liechtensteiner) is a Principal at LGT Capital Partners in Pfaeffikon, Switzerland. He oversees the Liquid Markets Middle Office and is responsible for the investment controlling, operations, and client reporting teams. He is a member of the COO Office and the Liquid Markets Management Team.

Mr. Rich originally joined the firm in 2000 as a trading analyst in the middle office before becoming an investment advisor and co-portfolio manager for GIM Products. In his role as portfolio manager, he was also responsible for the operational setup of the GIM and multi-manager products before overseeing GIM-like mandates. In 2014 he transitioned to his current role.

Mr. Rich received a BSc in Business Administration from the University of Applied Science in Chur and is a CFA Charterholder. He is fluent in German, English and French.
